

steve lintern

lighting cameraman

Flat 11 - 416 Manchester Road - London - E14 3FD

+44 (0) 7900 905560
stevelintern@mac.com

Steve is a London-based lighting cameraman with extensive camera experience in Live OB, PSC and ENG (including a sound knowledge of remote heads, gyro-stabilised cameras systems and covert and overt mini cams); He is a personable individual with an ability to work with confidence and competence on challenging locations and in high-pressured environments.

Employment

30.06.03 – Present **Freelance Lighting Cameraman**

21.07.00 – 30.06.03 **Flying Pictures Live.** **Camera Operator / Technician**

Responsibilities included: Camera operating on live sports and events; maintaining various gyro-stabilised camera systems (Wescam, Flir Ultra Media II & Video Super Ball), both in the UK and around the world, and mounting these systems onto aircraft; rigging, operating, maintaining and coordinating frequencies for Giga wave video microwave equipment and Motorola radio talkback equipment; liaising between broadcast producers and the aircraft operators.

20.06.98 – 19.07.00 **Picture Canning Company.** **Camera Assistant / Kit Technician**

Responsibilities included: Preparing, maintaining and repairing broadcast equipment (cameras, lighting, sound & grip); advising on equipment hire; camera assisting and Jimmy Jib rigging on various shoots including commercials, documentary and multiple camera live broadcasts.
