PERSONAL STATEMENT

Jonny is a multi-skilled Camera Operator & DP having started his professional venture in live Outside Broadcast back in 2006.

During his career he has travelled the world shooting sporting and music events, shot viral documentaries and interviews, worked on numerous commercials and operated cameras for award winning indie feature films. He has experience working as a Camera Technician at a camera rental company where he has been able to keep up to date with the latest camera systems and grip. This bolstered to his 12 years shooting experience has led to him having a wealth of knowledge that he can harness in any situation and it means he is a unique and invaluable member at events and on set.

As a team player with an adaptable skill set, Jonny has found himself camera assisting on high-end commercials and TV Dramas. He has the ability to competently work under pressure and to ever changing deadlines whilst not compromising on quality, creativity and meeting delivery standards.

Jonny is no stranger to long days and regularly working away from home. He has a fierce passion and drive in all projects he works on and is a great asset on any shoot.

WORK HISTORY

Freelance – Camera operator & Editor

Since 2006 Jonny has been providing Camera Work, Rigging and OB gallery assistance for many high profile sporting and music events across Europe, Asia and Australia for Sky Sports, Eurosport and Premier Sports. OB companies Jonny has worked with include CTV, CT London, Cloudbass, ADI.tv, Universal Live and Great Big Events.

Media Dog Hire – Camera technician & camera operator

At Media Dog, Jonny prepared shooting camera kits for feature filmmakers, commercial agencies and broadcasting companies. He carried out maintenance and trouble shot cameras, lenses and grip to ensure everything was to company standard and ready for clients.

Jonny would also be an on site/ on call technician for some larger productions. Clients included Amazon Prime – ‘All Or Nothing’, BBC Scotland – ‘Shetland’, North One ‘Gadget Show’ and ‘Fifth Gear’, 7Wonder ‘On the Front Line’.

International Federation of Sports Climbing – Director, Vision Mixer, Streaming Technician

For 4 years Jonny travelled the world following the IFSC World Cup circuit. Here he developed, directed and shot content for webcasts that became popular live broadcasts for TV and Online. He also was an integral part in the IFSC's Olympic bid by shooting interviews and features with climbing stars to build the sports presents and recognition around the world.
