Profile

London based camera operator with a wide range of skills in studio and outside broadcasts. Working in multi camera setups in pedestal, remote and hand held camera work. I enjoy working as part of a professional team and I always maintain a high standard of work.

History

Gained a BA (Hons) in Media Practice from the University of Glamorgan in July 2001. I began as a camera assistant at The London Studios in 2003 where I spent a year training. I began freelancing in 2004 as junior camera operator before moving into full time camera operating.

Additional Information

Full, clean UK driving license with own transport
Completion of health and safety and studio grid courses
A keen interest in travel
Avid sports fan including ice hockey.
